

Cuchara Association Security Service Information

The Cuchara Association provides a security service for members who choose to subscribe. The Security Manager inspects each subscriber's home twice a month and checks to make sure that the doors and windows are secure and that there are no visible problems. Members are notified by phone and/or email if a problem is found. Please make sure to provide the Security Manager with your best contact information including an email address. If you do not have a personal email, then please provide an email address for someone who could relay important information to you in the event of an emergency.

The fee for one year of service is \$110.00, due January 31st. This service is for Cuchara Association Members only. If paying by check, the Security Service Fee must be paid with a separate check from the Cuchara Association membership fee.

Important: Providing keys for renters, contractors or personal guests is the responsibility of the home owner. Access to homes is not the responsibility of the Security Manager.

You may sign up on-line using the Cuchara Association web site to pay by credit card or check, or you may complete the Security Service Application form and pay by check. Make checks payable to:
